EUROMAX produces world class quality blades from a specialized company based in India. The blades are made from Japanese Steel & are carefully crafted with the best technology & International standards. EUROMAX is available across worldwide.

Euromax Personal care is the progressive division of EUROSTAR Group, Dubai, UAE. The division has launched initially Euromax blades for Salon in early 2017 across the GCC region, the expansion to the global markets has seen a good acceptance and now the products is sold in Asia, Africa, Europe and Middle east. The Professional Salon Razor is one its kind manufactured from India, which is the best salon razor produced with Japanese steel and with very strict standards of hygiene and quality control has put this product into the global markets. Euromax currently markets Double edge, Single edge, Pillar packs and professional Salon Razor. The next phase is to reach out to the consumer segment by having the disposable razors single, twin, triple and four blades. The portfolio is also seeing an extension into Shaving foams / Gels.

Euromax aspires to be a one stop solution into the Men Salon & Grooming segment.

3301, Vision Tower, Business Bay, Dubai - UAE.
